## Lifestyle & Design Appointment

What you need to know.

TRIDEL®  
BUILT FOR LIFE

DORSAY®

Welcome to the next stage of your new home journey – your Lifestyle & Design appointment! Now begins the exciting time when you will make the decisions that will transform your suite into your new home. At every stage of this journey, your Customer Care Design Team is here to assist you.

Our Design Consultants are knowledgeable on all Tridel products and services. We encourage you to share all of the plans you have for your new home with us so we can tailor the right features and finishes to you and your family.

**CAN'T MAKE IT?** If you already know that you'll be unable to attend your appointment, please fill out our Designation of Agent form beforehand so that a designated person may conduct the appointment on your behalf.

**RUNNING LATE?** Please call if you're going to be late. We've set aside two hours for your appointment and would hate to rush a good thing. We will do our best to accommodate you based on the day's schedule.

**NEED TO RESCHEDULE?** No problem, as long as the construction schedule permits. Check with your Design Consultant on timelines. For cancellations of weekday appointments during regular business hours, we require notice of 1 business day. For high demand times on weekends or after-hours, 2 business days notice is required to avoid a \$50 cancellation fee.

**As a courtesy, we'll provide a reminder phone call the day prior to your appointment.**
